ELKRIDGE-HARFORD POINT-TO-POINT  
SPECTATOR RESPONSIBILITY

## *Welcome*

to the Elkridge-Harford Hunt Club, Inc. Point-to-Point Races. The Race Committee hopes you have a glorious day enjoying the Harford County countryside and the breathtaking thrill of Thoroughbred racing over timber.

Along with that thrill comes some responsibility to ensure the safety of race participants and spectators alike.

**NERVOUS, STARTLED, OR LOOSE HORSES ARE  
UNPREDICTABLE AND CAN PRESENT GREAT DANGER.**

**WE ASK THAT YOU PLEASE:**

1. Keep dogs leashed at all times.
2. Keep your distance from the horses and be alert at all times when they are nearby.
3. All car radios and sound systems must be kept at a low volume.
4. Only cross the race course during the intervals between races and never step onto the race course once the race has started.
5. Listen carefully to the announcements over the PA system, especially, "Clear the course," and always obey the instructions of race officials and outriders.
6. Monitor your small children at all times to ensure their safety.

Observance of these cautions will help ensure that we all have a safe and enjoyable day. By entering the property, you assume all risk of injury to you and your family and pets. If you are unwilling to assume these risks, we most respectfully ask you to leave the property immediately.

Thank You,

*The EHHC Point-to-Point Race Committee*

# Preserve our traditions related to horses and horse sports in Maryland—

## Join the Maryland Horse Breeders Association

Since 1929, the Maryland Horse Breeders Association (MHBA) has served as the leading horse industry advocate within the state of Maryland. The main purposes of the MHBA have always been to encourage, promote, protect and improve the horse breeding industry in Maryland. As a service organization, the MHBA provides industry information, educational opportunities and legislative representation to its members. While emphasis traditionally has been placed on the production of Thoroughbred race horses, the MHBA encourages all sports relating to the use of horses.

Memberships are open to those who have an interest in horses in Maryland and fully support the objectives of the Association. Associate memberships include all regular benefits of Breeder/Owner members, but exclude the breeder/owner only benefits of discounts on Maryland-bred registration and full voting privileges.

## MARYLAND MUSTANG MISSION

Maryland Mustang Mission (MMM) is a nonprofit 501(c)(3) that is devoted to spreading mustang awareness and education on the east coast by showcasing the American Mustang's versatility.

There are over 58,000 wild horses in holding facilities across the United States. MMM has created a mustang Extravaganza where trainers adopt an unhandled American Mustang from holding, and embark on the journey of training their new partner from wild to mild. A second event, known as the Open Show, exhibits the versatility of our American Mustangs through the partnership that is formed between mustangs and their owners.

Please scan the QR code to visit our website to learn more about our mission and events. We can't do what we do without you, whether you want to participate or donate, so please don't hesitate to check it out! Thank you!
